Descendants of Johannes Adam Zern

Generation No. 1

1. JOHANNES ADAM¹ ZERN was born Abt. 1732 in Circa, Grabens,, Germany, and died September 20, 1798 in Philadelphia Area, America. He married JUSTINA CATHARINA MECKLEIN, daughter of JACOB MECHLIEN. She was born February 13, 1740/41 in Germany, and died September 20, 1798.

Notes for JOHANNES ADAM ZERN:

Immigrated to Philadelphia between 1755 and 1782 and eventually settled at a place called Marlborough, presumably in Montgomery Co. northwest of Philadelphia, Pa. This is information off the internet. Burke's General Armory p 1146 says that Adam Zern settled in New Hanover, Falkner Swamp, Montgomery Co., Pa. in early 1700's. Another source indicated that Johannes Adam Zern was a wool spinner, born in 1730, and that he immigrated from Germany. It is entirely possible that these are two rather than one Johannes Adam Zern. I don't know the names of all of Adam's children, but among them was Abraham Zern, born 1768, died 1840. Abraham married Mary Magedeline Kehl and had approx. 11 children.

Born: Circa 1732, Germany

Internet information: Hans Adam Zern lived along the Rhine River in Grahens, Germany until he migrated down the Rhine River to Holland. He sailed from Rotterdam on the "Edinburgh" commanded by James Russell to Cowes England to secure permission, then on to America (Edinburgh for both legs of the trip). The ship ultimately arrived in Philadelphia on September 19, 1752. (1)(2) Adam stayed in Phila. Co. (1784 Montgomery Co. created) first in Douglas Twp. then on to New Hanover Twp.

Hans Adam owned 19 acres of land along Pleasant run (rte 663) near Pennsburg. His son Abraham owned land that touched his fathers (3) Hans Adam is listed in the New Gossenhopen and Swamp Luthern Church records. With the advent of the railroad one Zern a railroader and another a Doctor moved west to help in settling Pittsburg. The descendents of these Zerns eventually moved on the Ohio, Tennessee, Indiana and Michigan. This information was taken from an article in the Garrett Newspaper.
